

A LEGACY OF CONSERVATION

2020s

2020

Ridgeline land (320 acres) was secured through an HFE facilitated acquisition.

2021

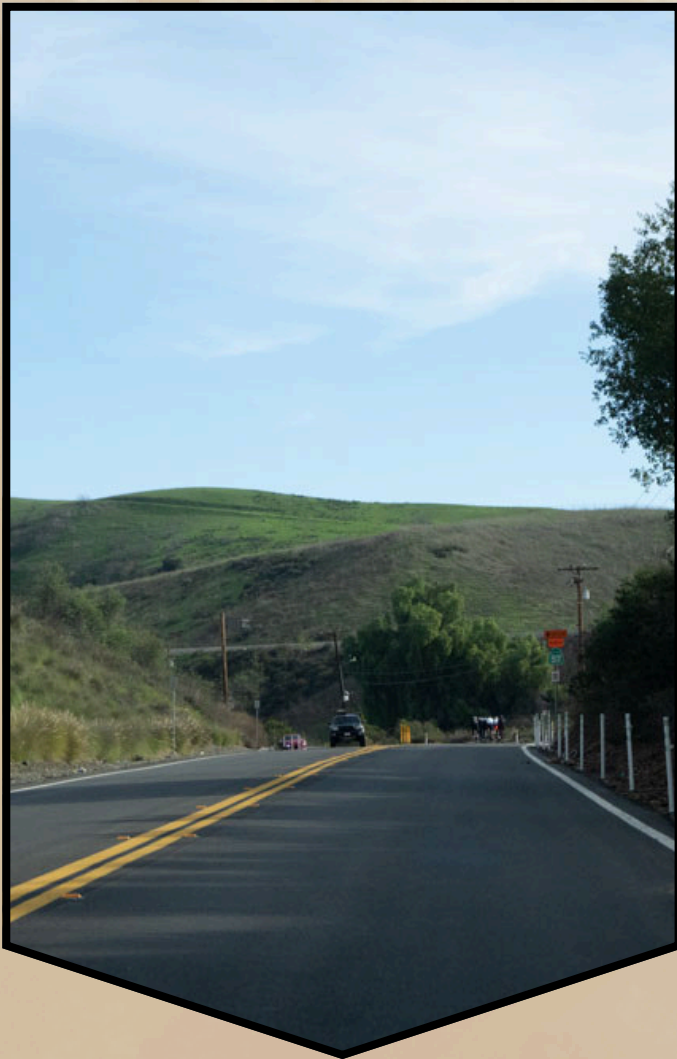

HFE sponsored SB 266 with Senator Josh Newman & Asm. Phillip Chen to require the State Park's growth.

2021

Another 410 acres adjacent to the State Park are protected by HFE.

2022

HFE successfully defeated Orange County's plans to widen Brea Canyon Road.

2023

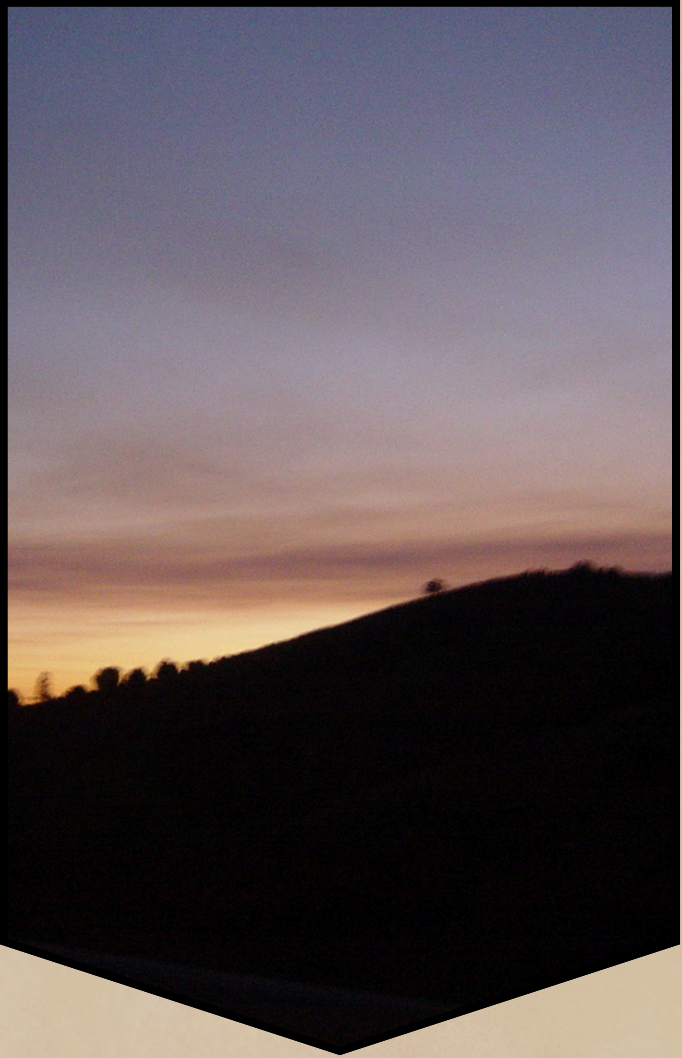

Protecting 30% of CA's lands & waters by 2030 is codified as 30x30. HFE became a leader in Power in Nature.

2023

Brea adopted a Native Tree Preservation Policy, the first of its kind locally, actively supported by HFE.

2023

HFE supported Los Angeles County's zoning change to 1 unit per 40 acres on Aera Energy's land.

2023

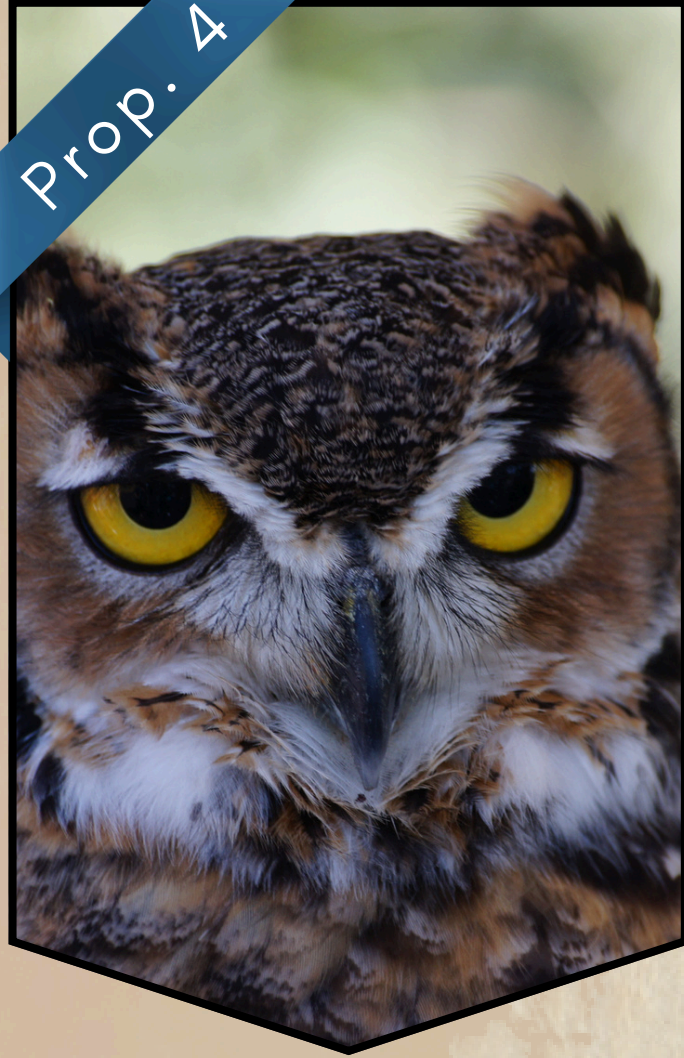

A land donation and mitigation funding is successfully negotiated by HFE from the Brea 265 housing project.

2024

Due to HFE's comments, the County of Orange removed 1,857 houses planned for Aera Energy's lands.

2024

HFE actively advocated for numerous successful conservation measures, including Prop. 4.

Through Power in Nature, a 30x30 coalition, HFE hosted an event with California Natural Resources Secretary Wade Crowfoot (left) to highlight conservation work being done in the Southland. HFE manages the Southland Regional coalition including all/portions of five counties.
